

Planning a Better Future...Begins Today

Join us **May 9th, 2009** for a Community Open House for the Desert Hot Springs General Plan Update.

What is the General Plan?

The General Plan is essentially the blueprint for growth and development in the city over the next 20 years.

As members of the Desert Hot Springs Community, your opinion is crucial to guiding the future development in the City. The Open House will give you the opportunity to learn and contribute to discussions about the future of public safety, parks and recreation resources, transportation, and any other issues that are of interest to you. The open house will include several activity stations that will allow you to learn more about the General Plan and share your vision for the City's future.

The open house will be held at the **Skyborne Recreation Center** located at 62313 Promenade Drive. You can drop by on **May 9th, 2009** anytime from **10:00 am to 2:00 pm**. Bring your family, friends, and neighbors, but most importantly, bring your ideas. Light refreshments will be served. Please come and participate!
